NOTES FROM HIGH POINT.

The Local News From Our Neighbor Briefly Told.

TELEGRAM BUREAU. }
HIGH POINT, N. C. Dec. 27 }

Mr. W. M. Clemmons, of Dayton, Ohio, who came here several weeks ago for his health, died Saturday night of consumption in his room at P. L. Payne's. His remains were shipped to his home Sunday night.

Some of the factories have started up again. It seems that we can never have any rest here, for as soon as the din of the Christmas 'pops' had ceased, that unnecessary blowing of morning whistles began their horryfying screeches.

The drinking here on Christmas eve was worse than ever before and the poor fools must have drank all of the "bust head" they had in stock for the majority of them have been sober ever since.

The Christmas entertainments of the Methodist and Presbyterian Sunday schools were given in their respective churches last night. Both churches were packed to their utmost and both entertainments were good. Both churches were nicely decorated though the Presbyterian was ahead in this line. A Christmas tree was one of the main features at the Presbyterian and Santa Claus and the Klondike were the main features at the Methodist.

Messrs. Homer Wheeler and Victor Craigin, of Washington, returned home yesterday after spending a few days with relatives.

Mrs. A. J. Fraley has gone to Knoxville, Tenn., to join her husband, who is now firing on the Knoxville & Cumberland Gap Railroad.

Don't forget that tomorrow is the day of horse sale at Welch's stables, at 11 o'clock, a. m.

Mr. Jacob Rike, who has had typhoid fever, is improving, we are very glad to learn.

Mr. Ed H. Smith, of Winston, spent a few days with relatives here, and returned home this morning.

The Christmas Sunday School entertainments will all be over after the one at the M. P. churth tonight.

Mr. C. A. Hammer will give his usual display of Christmas fireworks tonight. His displays are worth all others put together. Every boy is invited to see this display.

C. C. Barbee, of the First N. C. regiment, who has been off on an extended furlough, left on 36 for Havana, via. New York, to join his regiment.

Mr. and Mrs. Hugh J. Paylor, of Norfolk, who were married last Friday, and Mr. Herbert L. Paylor, of Wilson, arrived last night to spend a few days with relatives here.

Mr. Wm. Brooksbire, of Powellton, Richmond county, arrived last night to spend a few days with his sister, Mrs. P. E. Jarrell.

ABOLISH RAILROAD COMMISSION.

And Establish Commission of Railroads, Banking and Insurance.

Those who claim to be on the inside of things say that the legislature will abolish the Railroad Commission and establish in its place a commission of railroads, banking and insurance.

This, my informant tells me, will, like the present railroad commission, consist of three members. The chairman, however, will be required to live in Raleigh and be continually at the office. For this service he will receive a salary of $2,500 a year. The other two commissioners, like the present railroad commissioners, may reside where they like, so they attend the regular meetings of the board. For this service they will be paid $1,800 a years.

It is claimed also that Hon. Thos. J. Jarvis is slated for the chairmanship and that the other members of it will be men of experience and recognized ability.

In addition to the duties now devolving upon the railroad commission the commission of railroads, banking and insurance would, as its name indicates have charge of the banking and insurance business of the state. The control and examination of baaks is now in the hands of the state treasurer, and the insurance business is controlled by the secretary of state.

To take from the treasurer the banking business would relieve him of the appointment of two examiners, and to take from the secretary of state the insurance business would be cutting that official's salary half in two.

There are those who believe that some such arrangement as the above would be much more satisfactory than the creation of a separate and independent office for the management of the insurance business.—News and Observer.

By Cable to THE TELEGRAM.

NINETEEN YEARS.

But Appeal Will Be Taken to the Supreme Court.

By Wire to THE TELEGRAM.

New York, Dec. 27—Recorder Goff today sentenced Badger Moore to nineteen years in the state's prison for robbing Martin Mahon, the maximum penalty being twenty years. District Attoney Gardiner appeared as prosecutor and said he thought an example should be made of Moore. The defendant, who was leaning carelessly against the rail, cried out: Do you call Mahon innocent? His lawyer, Levy, and several court officers seized Moore and quieted him and the recorder then passed sentence.

A STAY OF SENTENCE.

Nsw York, Dec. 27—Justice Daly, of the supreme oourt has granted a stay of the executive of the Moore sentence until he can hear a motion for granting a certificate of a reasonable doubt in order to enable them to take an appeal this afternoon.

A dispatch from New York says that officers of the torpedo boat flotilla, attached to the North Atlantic Squadron, have prepared a memorial for Ensign Worth Bagley, of the Winslow, who was the first American officer to fall in the war with Spain.

The memorial was made by Tiffany & Co., and is in the form of a tablet, which is to be placed in the chapel of the Naval Academy at Annapolis.

The tablet is made of brass and has a backing of antique oak. The inscriptions and ornamentations are laid in brass.

EXPOSITION AND FAIR.

Resolution of The State Agricultural Society, Last Night.

The state agricultural society held a meeting at Raleigh last night, at which a new set of by-laws for the government of the society for the next year were enacted.

The efficient president, Col. J. S. Cunningham, was not present, but his suggestions and purposes were made known to the society and duly approved, and a resolution unanimously passed, thanking him for his untiring efforts for the welfare of the society, and showing the high appreciation in woich he is held by his associates.

The following resolution was introduced by Capt. C. B. Denson and passed without a dissenting voice, showing that the members of the society are ready and determined under the leadership and guidance of their energetic and popular president, Col. Cunningham, to spread out at the next annual exhibit of the society a great fair and exposition such as will be a credit to the management and an honor to the state:

"Resolved, that the North Carolina Agricultural Society, recognizing the importance, not only of encouraging the agricultural, but also the industrial interests of the state, decides to hold in the city of Raleigh a state fair and exposition during the month of October, 1899, and does hereby appeal to the people of the state to aid in making this exposition a great success, not only in placing upon exhibition exhibits showing the wonderful resources of North Carolina, but also in bringing the people closer together by seeing the products of the commonwealth, and also by meeting each other."

The patriotic and enterprising members of the society and managers of the Fair are to be commended for their unselfish work and untiring energies in all their efforts to make our exhibits comprehensive and interesting and for valiantly and vigorously working to maintain this one of the oldest and best of our agricultural institutions. Let everybody go to work now and lend a helping hand, so that next year we may show to ourselves and show to the world what a grand and glorious commonwealth we live in.

STARS AND STRIPES

Floats Alongside The Cuban Flag in Havana.

By Cable To THE TELEGRAM.

Havana, Dec. 27—Citizens of this city read in the morning papers today an order from Capt. General Castellanos, permitting the display of Cuban and American flags inside the lines of Spanish jurisdiction, in response to which early this morning the stars and stripes and Cuban flags floated over many public buildings in the heart of the city and on streets where Spanish soldiers still keep guard. The only buildings excepted in the order are the government offices.

Havana is therefore now bright with color. Fire crackers are being exploded on streets and piazzas.

Robert Scott, ex-city treasurer of Jacksonville, Fla., succeeded in getting a small cargo of flags into Havana several weeks ago. Four cent flags are selling for one dollar.

Capt. General Castellana's order was issued after a conference with Gen. Ludlow, and will be followed tonight by an order closing the cafes at ten o'clock. Fourteen persons were accidentally wounded yesterday by different kinds of weapons being fired in the streets.

Feeding the Hungry Cubans.

Washington, Dec. 26.—The Secretary of War has received the following cablegram from Major General Lee:

Havana, December 26th.

"Seven thousand rations have been sent to Guines, and about 40,000 to other points in Havana province. Rations are also being distributed in the city of Havana, including two thousand cans of condensed milk to sick and debilitated women and children. Lee.

Lynchers Swing a Negro.

Harmony Grove, Ga., Dec. 26—Jeff Bolton, colored, was lynched at Wood's Bridge, two miles west of this place, Saturday night by parties unknown.

This is the negro who was charged with having shot at Mr. Van Deadwyler, last week, and also with having burned up Deadwyler's barn and stock Thursday night.

Of course the manufacturer had to make a concession in the price and as Thacker & Brockmann want these shoes to move off quickly, they have made the price $3.00 straight, If you want a pair of the very best, new up-to-date winter $4.00 tan shoes at $3.00, now is your chance.

TREATY WILL BE RATIFIED,

Opposition To Territorial Expansion Will Not

TURN SENATORS AGAINST IT.

Pritchard Favors Treaty—Death of Dr. Bitting in Philadelphia—Tar Heels in Washington.

Special to THE TELEGRAM.

Washington, Dec. 27—There appears from present indications to be no longer any doubt of the final ratification of the treaty of peace. Senators and representatives who are in Washington during the Christmas holidays are convinced that the opposition to the policy of territorial expansion will not go so far as to cause senators to vote against the ratification of the treaty. Any opposition that may develop to annexation of outlying territory will in all probability be postponed until after the treaty has been finally ratified, and will probably develop when the question of a new form of government for the islands comes before congress for consideration. The opposition will urge a form of self government for the Cubans and the Philippine Islands, as far as is consistent.

Senator Martin, of Virginia, who is in Washington with his wife, stopping at the Baltic during the holidays, and also Senator McLaurin, of South Carolina, who returned from Charleston on Saturday, are both of the opinion that the treaty will not be rejected, although neither senator will definitely state his position, or what course he will personally follow until the treaty comes before the senate for consideration. It is expected that the president will send the treaty to the senate soon after the reassembling. It will be at once referred to the committee on foreign relations, and the committee will devote a week or more to its consideration, after which it will be reported back to the senate. The senators do not like to discuss the treaty pending its consideration by the senate, as it will be considered doubtless in executive session, and it would be improper for them to go into details in advance.

Of the North Carolina senators it is known that Senator Pritchard is for the treaty, but the position of Senator Butler is not known.

Monday was observed in Washington as a legal holiday, nearly all of the leading places of business being closed from noon, and in many instances the merchants closed their places of business during the entire day. On Sunday special services of song and praise were held in most of the Protestant, as well as Catholic churches.

With two exceptions, Secretary Bliss, who went to New York, and Secretary and Mrs. Hay, who spent the day at Cleveland, Ohio, all of the members of the President's cabinet and their families remained in Washington Sunday and Monday.

Of the North Carolina delegation in congress, both of the senators are in the state. Representatives Pearson and White are in the city, but it is believed that all of the remaining members of the North Carolina delegation went home for the holidays.

The death of Dr. Bitting, which occurred at Philadelphia, is much regretted by Baptist clergymen in this city, among whom he was well known, having frequently visited Washington city. Dr. Bitting was well known throughout the south, having formerly had important pastorates at Richmond and Lynchburg, Virginia, and Greenville, North Carolina.

Among well known North Carolina people in the city is Supt. John J. Blair, of Winston, who is stopping at the Ebbitt House. He is on his way to New York city, and expects in a short time to take an extended tour abroad, visiting England and the continent. Mr. Blair is of the opinion that the legislature will pass a law at the coming session limiting negro suffrage in the state.

Mr. and Mrs. J. Harrison, of Washington, have as their guest during the Christmas season, their little grandson, Master Harry Jacobs, of Winston North Carolina. He will remain in Washington until after the New Years holiday.

Mr. and Mrs. Jamison, Elon College North Carolina, are in Washington for a few days. They are stopping at he Metropolitan hotel.

Among other North Carolina people in the city are Messrs. Charles W. Petty, Herman Buchanan, Merritt Buchanan and Thomas Coffin, all of Greensboro, who are stopping at the St. James hotel, and W. T. Shaw, of Weldon, who is registered at the Howard house.

TUESDAY, DEC. 27, 1898.

The board of aldermen may be right in renewing the contract for street lighting for one year at the old rates; but many people here cannot understand why the board declared unanimously that they were in favor of giving the contract to a party or company who would, in addition to lighting the streets put in, operate and maintain an electric street railway. The opportunity was offered and rejected. Judge Shaw offered what we think was a sensible measure, one calculated to keep competition in the field; but it was voted down and competition, having met such a cold reception withdrew from the contest. We believe an error has been made.

The 64 page edition of the Charlotte News, issued on December 23, is a handsome and profusely illustrated paper, in eight parts, containing a description of Charlotte and the thriving towns in this section of the Old North State. Greensboro and Guilford county receive a generous allotment of space, and for the enterprise shown in issuing this special edition The News should receive a substantial and lasting token in the shape of a larger patronage.

The Telegram hopes its readers, one and all, have spent a merry Christmas, that they have not been entirely oblivious to the event we celebrate in observing the 25th day of December as a holiday, a day of rejoicing and of giving gifts, and that the New Year will usher in an era of increased happiness, prosperity and good health for every one.

It is said that the ring-nosed Aguinaldo wants to declare war on Uncle Sam. Let him declare. People in the United States have already declared that the insurgent leader has more courage than brain, and he has a perfect right to declare war on Uncle Sam, we do declare.

Up to the hour of going to press the electric street cars have not begun on schedule time, twelve minutes between cars.

Two Pointed Questions Answered.

What is the use of making a better article than your competitor if you can not get a better price for it?

Ans.—As there is no difference in the price the public will buy only the better, so that while our profits may be smaller on a single sale they will be much greater in the aggregate.

How can you get the public to know your make is the best.

If both articles are brought prominently before the public both are certain to be tried and the public will very quickly pass judgment on them and use only the better one.

This explains the large sale on Chamberlain's Cough Remedy. The people have been using it for years and have found that it can always be depended upon. They may occasionally take up with some fashionable novelty put forth with exaggerated claims, but are certain to return to the one remedy that they know to be reliable, and for coughs, colds and croup there is nothing equal to Chamberlain's Cough Remedy. For sale by C. E. Holton.

A family named Year, at Bristol, have christened their baby, born yesterday, Christmas Year.

Pains in the chest when a person has a cold indicate a tendency toward pneumonia. A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the chest over the seat of pain will promptly relieve the pain and prevent the threatened attack of pneumonia. This same treatment will cure a lame back in a few hours. Sold by C. E. Holton.

The Minneapolis Times has raised the price of its daily edition from one to two cents a copy.

A cough is not like a fever. It does not have to run a certain course. Cure it quickly and effectually with One Minute Cough Cure, the best remedy for all ages and for the most severe cases. We recommend it because its good. Howard Gardner.

Congressman Thomas S. Butler, of Pennsylvania, of the Naval Affairs Committee of Congress, says the sentiment of a majority of the members seems to be in favor of the increase in the navy and the $50,000,000 appropriation asked for by secretary Long.

Overcome evil with good. Overcome your coughs and colds with One Minute Cough Cure. It is so good children cry for it. It cures croup, bronchitis, pneumonia, grippe, and all throat and lung diseases. Howard Gardner.

Don't Expect Conviction.

New York, Dec. 24—Recorder Goff has delivered his charge to the jury in the Moore case. It is not believed that she will be convicted. How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of the vital organs. If the liver is inactive you have a bilious look; if your stomach is disordered you have a dyspeptic look; if your kidneys are affected you have a pinched look. Secure good health and you will surely have good looks. "Electric Bitters" is a good alterative and tonic. Acts directly on the stomach, liver and kidneys, purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at C. E. Holton's drug store. 50 cents per bottle.

KILLING AT REIDSVILLE.

Bill Saunders a Blockader Shot By Revenue Officer.

On Saturday evening a fight resulting fatally to one of the combatants, occurred near Reidsville.

Bill Saunders, a farmer, it seems, has for some time been manufacturing a portion of his grain into juice, on the sly of course, and the knowledge of this side-line came to the ears of his friend and neighbor, Will King, a revenue officer. Friendship cannot stand in the way of duty, and King proceeded to do as the law requires in such cases—report the moonshiner.

Saturday Saunders went to the home of King to demand an explanation, carrying a shot gun to emphasize his remarks. He found King at the barn, but instead of shooting, began using the weapon as a frail.

The two men rolled on the ground, each striving for the mastery. King's wife hearing the melee, started from the house with a pistol for her liege lord, but it seems he did not need it—had one in his pocket, and before she could reach them, had gotten his hand on it, and shot Saunders three times in the breast, killing him instantly.

King came to Greensboro Sunday, gave himself up, and was placed under bond for his appearance at the next term of Federal Court.

Want a pair of men's four dollar, winter, tan shoes, for three dollars? Thacker & Brockman still have most all sizes in stock, but you must come pretty soon if you want a pair.

Children Burned.

Saturday afternoon four children were playing around a fire in the yard at the home of Mrs. Jenkins, at the water works, popping firecrackers and shooting a toy cannon. They were in a small play house, and in attempting to throw a lighted firecracker through the door, it struck the post and fell into a box of powder, which exploded, badly burning three of the children. Dr. Richardson attended them and this morning it is not thought their injuries are very serious.

Want a pair of slippers to give your husband, father or brother Christmas? Thacker & Brockmann can show you a great variety to select from in plain and fancy styles, at 75c, $1 00, $1.25 and $1.50 a pair.

It MUST Amount to Something

Our store has been overcrowded the past week. Why did they buy here? This is a problem easy to solve: **Because The Fishblate-Katz Company gave the people the Best Bargains for the Least Money.** But last week's wonderful selling must continue, therefore we have again marked down some of our finest and best clothing at the same low prices. The past week men bought and told their friends, and their friends bought, and so on.

HERE IS THE REASON—Your Money Back in a Minute, if You Wish.
